PROFILE

Hi, my name is Philipp and I am a product designer currently living and working in Germany. Since I've already published research about Voice User Interfaces, I am especially interested in this job to apply my research knowledge to Amazon Alexa.

EXPERIENCE

Junior Product Designer | real.digital

March 2020 - Today

- Create a new design system
- Support three product teams with 18 devs in total
- Plan, perform and analyze UX research activities
- Ensure quality by doing frontend and code reviews

UX Researcher | GfK SE (Amazon project)

September 2017 - September 2018

- Create interview guidelines and personas
- Conduct around 90 interviews and write the protocol for around 400 interviews
- Analyze the findings using Excel/ SPSS and create reports for clients

Intern | Bunnings Warehouse (in Australia)

Juni 2015 - September 2015

- Create websites for Bunnings' own product lines
- Create an official web page for use in company sale training procedures
- Update product database of the online shop
